Mission

Adventurers is an interdenominational, Christian, learning cooperative located in Southeastern Michigan designed to help meet the needs of homeschooling families by providing enrichment and social opportunities for their children, *from high schoolers to babies*. Registered families shape each year's offerings through open communication and participation. We aim to unleash the God-given energy and unique genius of each participant through our class experiences, activities, and community as we share and grow together.

Indemnity and Release Form

In an effort to create safeguards for our co-op, Adventurers requires the completion of this form that must be signed by both parents. The purpose of this agreement is to reduce the incentive lawsuits against Adventurers, its teachers and volunteers (unless there is intentional misconduct), and/or the administration team (A-Team). It also waives claims related to inherent risks of recreational activities and classes.

Agreement to indemnify and hold harmless:

THE UNDERSIGNED, by his or her signature(s) appearing below, agree(s) to indemnify and hold harmless, to the fullest extent permitted by Michigan law, Adventurers Homeschool Association, and any of its teachers, officers, directors, or volunteers, from any liability, claims, demands, losses, damages, judgments, settlement payments, fines, and other reasonable costs and expenses (including attorney fees) incurred by Adventurers Homeschool Association or any of its teachers, officers, directors, or volunteers in connection with the defense of any action, suit, or proceeding that is brought or threatened on behalf of any of the undersigned, or the undersigned’s minor children participating in the Adventurers Homeschool Association program, except for actions caused or alleged to be caused by the willful and intentional misconduct of Adventurers Homeschool Association or any of its teachers, officers, directors, or volunteers.

Release of claims regarding recreational activities:

THE UNDERSIGNED, by his or her signature(s) appearing below, agree to release, to the fullest extent permitted by Michigan law, Adventurers Homeschool Association, and any of its teachers, officers, directors, or volunteers, from liability for economic or noneconomic damages for personal injury or death sustained by the minor child or children of the undersigned during any recreational activity or activities sponsored or organized by Adventurers Homeschool Association, provided the injury or death results from the inherent risks of the recreational activity. If subsequent legislation or court action increases or diminishes the liability protection afforded by the signature of the undersigned, he or she agrees that the liability protection afforded by it, after modification by the legislation or court action, shall be the maximum protection allowed by law.

Security fee: In order to make sure everyone is safe on campus—especially our children, our co-op will be doing background checks on participating adults. By signing below, you agree to submit to a background check.

Severability: Each of the provisions hereof shall be deemed and considered separate and severable so that if any provision is deemed or declared to be invalid or unenforceable, this shall have no effect on the validity or enforceability of any of the other provisions.

Behavioral Contract

Behavioral Standards

All of us—students, parents, instructors—should be holding one another to the following standards.

Adventurers are responsible, courteous and thoughtful, appreciative of those serving us, committed to our experience at Adventurers, welcoming and inclusive in our relationships.

Please kindly address inappropriate behaviors with the individuals involved. If satisfaction is not achieved, bring the situation to the person in charge closest to the situation: a parent, instructor, class coordinator, facility manager, or administrator, moving “up the chain of command”, if needed. Consequences for violations of these standards could include: a discussion, a warning, having the individual be more heavily involved in some sort of service, having a parent attend classes with an offending student for a period of time, suspension, or, in extreme cases, expulsion. Other consequences may be created to fit the particular offense.

Attendance and Participation

Students, you are expected to attend all scheduled classes and groups for which you have registered, to arrive on time, and to complete any homework assignments given.

Parents are expected to encourage and support their students in doing so. If this is too much of a burden, please speak with the instructor involved, and consider taking classes with lighter homework loads next semester.

Adventurers Safety Policy

Safety is a priority at Adventurers. Many classes are offered here that may require students to bring *personal items/tools* from home. It is the *parent's responsibility* to assess whether it is safe for their child to take a class that requires the use of specific items/tools AND if their child is responsible enough to handle such items/tools. It is the *student's responsibility* to adhere to all safety guidelines as it relates to any items/tools that they use. All items/tools are to be in compliance with Michigan state laws and standards and nothing considered illegal should ever be on the premises. All items/tools must be used as intended. Under no circumstances is a student allowed to use an item/tool to intimidate or harm another *person* or *property*. All items/tools are to be used in class only and put away immediately after class. Any item/tool not being used safely, respectfully, or at an appropriate time will be taken and returned only after meeting with the Administrator.

Facility

Our host church has graciously allowed us access to most of the building. Please take care of it as good stewards of God's gifts. Please do not use any church supplies without consulting our Facility Manager. Please keep hands off any instruments and any electronic/digital equipment, except with permission from the Facility Manager.

Illness and Substitutions

Stay home as a family if **ANYONE** in your household has exhibited symptoms of illness within the last 24 hours. Please be respectful and use thoughtful judgment when considering if this would apply. You and your children should be fever free and/or vomit free for 24 hours before attending. Find a sub when applicable. Please report illness to the administrator as timely as possible for decisions to be made on holding classes the following week.

Subs: If you are unable to attend Adventurers for any reason, please find a substitute for your assigned roles, especially teaching. There is a link to the sub cheat sheet in the TW. This should help you find available people. When you have found your sub, let Laura Cachia know the game plan. You are responsible for finding your own subs.

Nursery/Preschool

Children: please be sure to sign your children in and out of nursery/preschool each time the child is in or out.

Staff: Make sure to sign in and out each hour you assist in nursery or preschool. There are no 15 minute breaks for these rooms, so you must wait until the next hour's teachers arrive. Please try to arrive as early as possible.

Family Members' signatures, including at least one parent:

We have read and agree to uphold these behavioral standards. (Please have all able family members sign and return with application.)
